Dear Junior Golf Parent:

The Utah Junior Golf Association is a private, 501(C) (3) *non-profit* corporation dedicated to providing junior players opportunities to learn and participate in the great game of golf.

The UJGA continues to grow to meet the needs of its members!

Over the past few years, the Utah Junior Golf Association has grown substantially in the number of programs and tournaments that are offered. The *Proposed Schedule* for 2010 will include the same competitive schedule to which you have become accustomed.

How are the funds used?

All funds raised through the *UJGA Annual Associate Member Program* are used to offset tournament fees at UJGA events. These include golf course use fee, awards for junior players and scholarship programs for less fortunate members. With your help, we are able to keep tournament entry fees at a reasonable amount.

Many challenges face us in the next few years. Membership and Tournament Entry fees do not cover the growing costs associated with providing you the benefits and opportunities of the top junior program in Utah.

We need your help!

Become an Associate Member of the Utah Junior Golf Association and invest in Junior Golf, which will ensure the continued growth of the program.

Attached is a UJGA Associate Membership Program donation form. There are many levels of participation. Please consider joining and helping us meet these needs!

Many hands make light work....

We encourage all member families to participate! You make the difference!

Sincerely Yours,

Jeff R. Thurman
Executive Director
