

## ENTRY DEADLINES

Tournament entry fees are designated per tournament on the UJGA Tournament Information Page (TIP). Tournament entry deadlines are 10-days prior to the scheduled event or as indicated on the TIP. If a tournament field is not full after the tournament entry deadline has past a player may enter the event, provided there is availability in the field, with a \$10 late fee. Under this scenario entries will be accepted, with the late fee, up until the posting of Starting Times (3-days prior to the start of the tournament), NO entries will be accepted after starting times are posted.

## WAITING LIST

A player waiting list will be established the **MORNING of the TOURNAMENT, 30-minutes prior to the start of the tournament.** To place your name on the list, check-in with the UJGA Staff member at the STARTER tent. Spots in the field are awarded on a first-come basis.
