

CREDITS - REFUNDS

Entry fees are non-refundable except for the following:

A player who qualifies for a national tournament through a UJGA sanctioned qualifying tournament and who participates in the national event is eligible to receive a refund of tournament fees less the handling fee for those tournaments that are in conflict with the national event. A request for refund must be submitted to the UJGA Executive Director by the qualifying player prior to the national tournament.

If a player cannot participate in a tournament due to medical injury the entry fee can be transferred to another tournament or a request for refund can be submitted by the player. A letter from the attending physician is required to validate the claim and should be addressed the UJGA Executive Director. The tournament entry fee, less the handling charge (\$20) is refundable. All refunds are issued at the close of the UJGA Fall season (November).

Credit account: If a player has withdrawn from a tournament per the Withdrawal Policy a credit is issued to the players "credit account". All credits must be used in the same season and cannot be used toward invitational tournaments or Utah team fees.

If a tournament is canceled because of inclement weather a player will be allowed to transfer the fee to another UJGA sanctioned tournament or may request a refund of entry fees (less a \$20 handling charge). **ONCE A TOURNAMENT STARTS a refund of entry fees WILL NOT BE AWARDED.**

Starting times are final and posted 3-days prior to the start of a tournament. In the event a player does not withdraw from an event per the posted Withdrawal Schedule he/she is considered a No-Show and the No-show policy will be enforced (please review No-Show policy on this web site).
